We offer 50% off any dishes ordered from our Seasonal Menu or “House Recommends” board to all members of the NHS, Fire Service and Police forces and one of their guests. Just show your work ID to a member of staff before you order for the discount to apply.

### FUNCTION ROOM HIRE

Merchants is a little like a Tardis. We're the largest independent restaurant in town, and that's because we have a room upstairs which holds up to 100 people standing for your shindigs, and 50 people seated for your meals. Entire venue hire is also available for those occasions where one floor just isn't enough.

### CHILDREN'S MEALS

Everything we serve at Merchants is made here in house. As such we are able to manipulate the majority of our dishes to suit your little angels' needs from our Seasonal Menu. However, as parents we know sometimes it's easier to have a couple of choices to simply choose from. If it's one of those days today just let us know.

If, on this occasion, we've hit the nail on the head please don't keep it to yourselves. Let others know via the medium of **Trip Advisor** and **Google reviews**.

If on the other hand we haven't got it quite right this time, please drop us a line at [mail@merchantswarwick.co.uk](mailto:mail@merchantswarwick.co.uk) to let us know how, why, and where we can make your next visit better.
