To save writing the same words on every line, all our meats come from local farms, all chicken & eggs are free range. Unless stated otherwise, all our fish comes from sustainable sources from UK shores.

Growing aside, every item on our menu is chopped, smoked, braised, tickled, charred, marinated, chutneyed, wilted, (you get the idea) here in the Merchants' kitchens. We hope you enjoy our efforts.

Children's Menu

Everything we serve at Merchants is made here in house.

As such we are able to manipulate the majority of our dishes to suit your little angels' needs from our Seasonal Menu.

However, as parents we know sometimes it's easier to have a couple of choices to simply choose from. If it's one of those days, see below. We are still happy to alter these.
